Dear Sir:

The Remarks are in response to the communication mailed on May 20, 2003, having a 30-day response time. In response to the invitation to resubmit support for the pending claims, the support previously supplied in the last Amendment (of October 30, 2001) is again given below with references to the substitute specification. The requested substitute specification including the claims and drawings is also included. It contains the previously entered amendments and no additional subject matter not of record.
